

LAWSWITHRACHNA

4-WEEKS ONLINE CERTIFICATE COURSE ON GAMING LAWS

LET'S SEE WHAT'S IN THERE FOR YOU?

Instructor

Rachna Shroff

*Gaming and Tech Lawyer with 13+
years of experience*

Course Objective

GAIN IN-DEPTH KNOWLEDGE

This Course aims to provide participants with comprehensive knowledge of the legal framework governing the gaming industry in India. Attendees will acquire a clear understanding of the legalities surrounding different gaming formats, including fantasy sports, esports, real money gaming, and more

NAVIGATE COMPLEXITIES

The objective is to help law students and lawyers navigate the complexities of gaming laws and provide practical insights into compliance requirements and challenges faced by the gaming industry

STAY ABREAST OF LEGAL UPDATES

Participants will be kept up-to-date with the latest legal developments, such as the new IT rules of 2023, significant Supreme Court judgments, and recent amendments impacting the gaming industry

COURSE SYLLABUS

Week 01
